

## ▶ Overview

### ▶ INNOVATIVE PAYMENT SOLUTION

The SuperStop MaxMart Fleet Card is uniquely positioned to help fleets of any size become more efficient and successful.

More than just a fuel card, the SuperStop MaxMart Fleet Card stands out because it allows for control at the card level, as well as at the account level, giving fleet administrators the ability to customize every card. Within a single account, the fleet card can be assigned to individual drivers, vehicles or entire organizations.

Fleet administrators appreciate the sophisticated purchase controls and expense monitoring features that reign in excess spending. Easy-to-read, comprehensive transaction data reports help manage expenses and can be used in vendor negotiations.

Summary report options monitor and track negotiated discounts. With all this functionality, the SuperStop MaxMart Fleet Card program is truly a client's answer to a complete and comprehensive fuel and maintenance fleet solution.

Within the same account, fleet cards can be assigned to drivers and/or vehicles. A unique personal identification number (PIN) can also be assigned for security.

Drivers can be required to enter:

- Vehicle or driver number
- Odometer reading

Purchases can be limited by:

- Product (fuel only or all products)
- Number of transactions per day
- Dollars per month
- Number of transactions per month

Clients have the option to allow one more transaction after limits are met.
