

▶ Value Added Services

CarterEnergy's Complete Fleet Card offers a full suite of services that accommodates the fleet management needs of clients.

In the spirit of continuous process and product improvement, CarterEnergy offers a full array of value added services that help clients discover new potential in their fleet programs. These comprehensive programs allow CarterEnergy to better serve its clients.

▶ VALUE ADDED SERVICES

On Demand Roadside Assistance

Through a partnership with National Automobile Club (NAC), our clients can use their Complete Fleet Card for on-demand services, such as towing, tire change, and emergency fuel delivery. NAC provides quick, courteous and cost-effective emergency towing and road services for fleet managers.

Temporary Vehicle Replacement

One call allows you to set up a temporary vehicle replacement request. Enterprise Rent-a-Car will find the nearest location and reserve any vehicle type in their fleet.

Auto Glass Replacement Services

A network of glass dealers allows for quick and easy glass replacement on vehicles. Our program reduces vehicle down-time, as well as costs.

Driver Background Checks

This service allows fleet managers to research an employee's driving history online. At a click of the mouse, your customers can find out about:

- Type of License
- Violations/Convictions
- Suspensions/Revocations

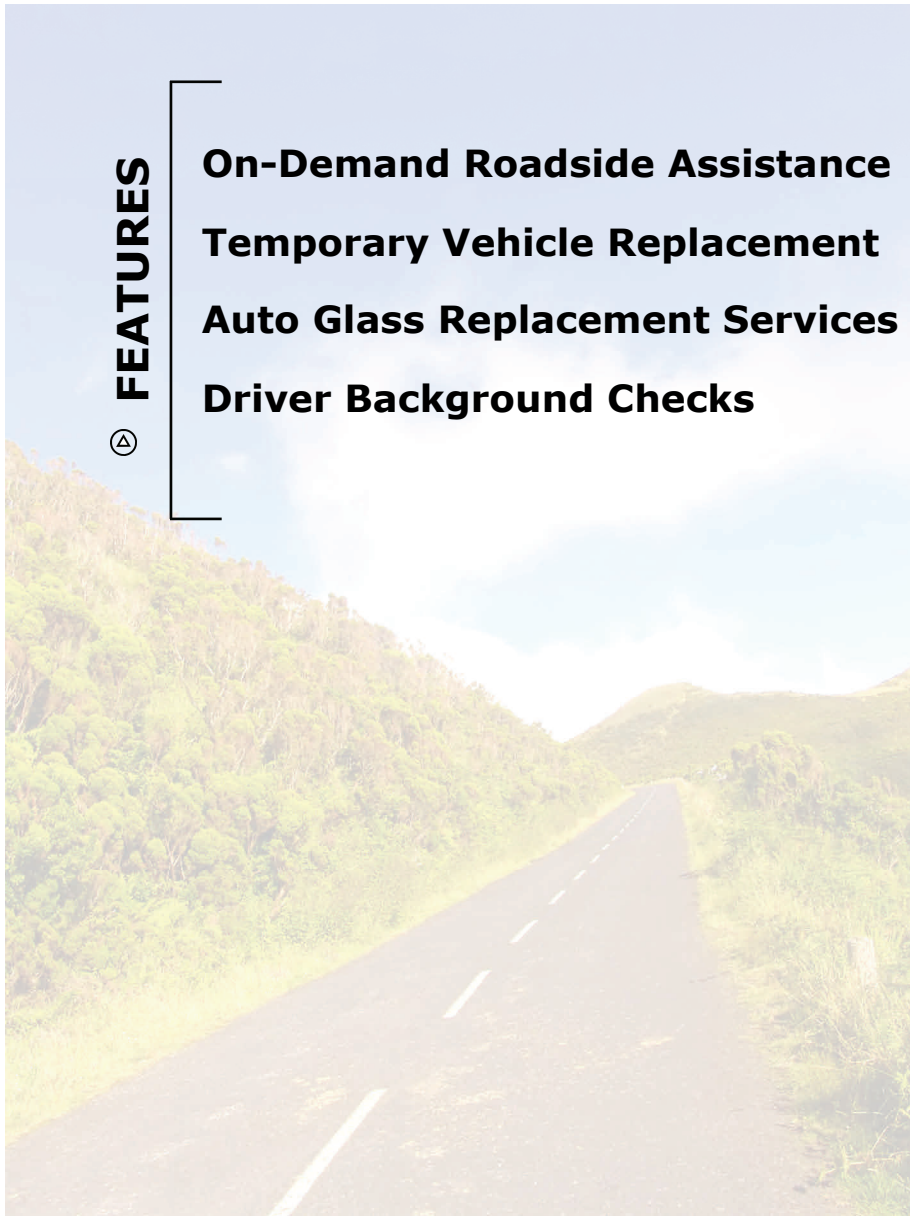

Contact a sales representative for more information on these services!
