

Overview

GOGAS was established in 1946 as a motor fuel marketer.

We have built our reputation on exceptional levels of quality, price and customer service.

With years of fleet experience, we now provide businesses, large and small, with a complete fleet management solution.

- Universal Access
- Track fuel & maintenance expenses
- Purchasing security
- Specialized reporting
- Value added products
- Industry leading account management

We offer our customers the convenience and tools to enable owners and fleet managers to make informed decisions about their businesses.

We are fuel professionals. It is all we do!

**Leading Fleet Card
Company in the US.**

**Serving Customers
in all 50 States.**
